IES Rochester Section

Excellence In Lighting Awards

It's that time again...

The IES Rochester Section is pleased to present our annual Excellence in Lighting awards...

And we want your submissions !!!

Qualifying projects can be anything you have worked on in the past three years (2019-Present). Any sort of project qualifies. There will be an indoor and an outdoor category. Size & scope of projects are not the goal. The goal is excellent use of lighting in design and application. Anything goes.

[Submissions are due by Friday May 6th.](#)

Awards to be presented June 9th at the Rochester AIA awards dinner at the George Eastman Museum

**The judging process has been updated.
Details are posted on our website.**

Questions or submissions should be directed to Peter Brincka at pete@qlsny.com
